## Sustainable Procurement Policy

For **Cavi F.E.R.M.I. srl** Sustainable Procurement is about using procurement and working with our supply chain to address social, economic and environmental considerations over the entire life cycle in ways that offer real long-term benefits to the economy to communities and to the environment.

At Cavi F.E.R.M.I. srl our commitment to always do the right thing for our clients, our people and our communities.

We are committed towards social impact and strive for sustainability across every function, including sourcing and procurement. Through this procurement policy, we intend to make our operations more sustainable by:

- Upholding the laws and regulations of the respective countries we operate in
- Endorsing highest standards of economic, social, ethical and environmental practices
- Identifying and moderating risks associated with our procurement process
- Communicating the policy with stakeholders (internal and external) and raising awareness among our suppliers

In accordance with our commitment to the highest standards, we also expect our suppliers to aspire to the same standards in their business operations, including but not limited to:

### Environment:

- Comply and adhere to all the applicable environmental laws in respective countries/jurisdiction
- Undertake initiatives to promote greater environmental responsibility such as:
  - Responsible waste management and disposal
  - Reduction of greenhouse gas and other emissions harmful to the environment
  - Conservation of non-renewable natural resources

### Business Ethics:

- Obey all relevant international and domestic laws regarding ethical business practices
- Demonstrate existence of procedures to prevent:
  - Money laundering
  - Fraud, bribery, corruption
